MEMORANDUM FOR: Deputy Director for Administration

FROM :
Chief, Information Services StaffSUBJECT : Request for Waiver from Portion Marking
Requirement of Executive Order 12065

1. Action Requested: We request that you sign the attached letter to the Director, Information Security Oversight Office (ISOO) requesting waivers from the portion (paragraph) marking requirement of Executive Order 12065 for certain classes of classified CIA documents.

2. Background:

a. In July 1978, task forces were formed to implement Executive Order 12065 effective 1 December 1978. The senior Task Force was chaired by the Associate DDA and consisted of senior managers of each directorate plus OGC. This group was the oversight and final approving body for recommendations of the four working task forces, which also included representatives from each directorate and OGC. One of these working task forces was the Markings Task Force.

b. Portion marking of classified information is mandatory under the new Executive Order, and only the Director, ISOO may grant a waiver from this requirement. The Markings Task Force reviewed all waiver requests submitted by Agency components and recommended, for senior Task Force approval, the requests that should be forwarded to ISOO. The attached letter to the Director, ISOO contains the requests approved by the senior Task Force, plus two requests submitted subsequently. The two additional requests are for the Studies in Intelligence and the National Intelligence Daily.

3. Recommendation: We recommend that you sign the attached letter to the Director, ISOO.
